We have had a very smooth start to the year and we thank our entire school community for that. Our core business at school is to educate our students, to improve their academics in all subject areas and to help them develop the skills necessary to become successful beings in an ever changing modern society.

All teachers will be using AusVELS as our curriculum framework in 2015. The AusVELS curriculum framework provides a single coherent curriculum for years F-10. It incorporates developing the Australian Curriculum within a framework that reflects particular Victorian priorities and approaches to teaching and learning. AusVELS is a set of prescribed content and common achievement standards, which schools use to plan student learning programs, assess student progress and report to parents. It is designed to ensure that teachers are not required to manage two different curriculum and reporting frameworks.

Each of the AusVELS domains (subjects) is structured by eleven levels associated broadly with the levels of schooling, from Foundation (Prep) to Level 10 (Year 10). The levels represent typical progress of students at key points within the stages of learning. It is recognised that students progress at individual rates and may demonstrate achievement at a particular level earlier or later than typical.

Our school will work hard to ensure success in all classes of the school. We have a very motivated and experienced group of professional teachers who share the responsibility for all students. AusVELS has been designed so that students can work below or beyond the levels according to what their needs are.

To ensure that our children succeed at school, families and teachers need to have open 2-way communication. We need to quickly discuss any concerns as soon as they arise and work towards the same goals. Please do not hesitate to come and have a chat to me or our teachers at any time.

Kevin Warne, Principal
On Wednesday 11th March we are having a Parent/Teacher Information Sharing Day. The day will be a normal school day where students arrive at 9:00 a.m. and are dismissed at 3:30 p.m. Each family will be allotted a 10 minute time slot where mums and dads can share any important information about their children that may help the teacher and learning during the year. It is also a good time for the teachers to let parents know how their children have settled into the school year and discuss any concerns. The chats will begin from 12:50 p.m. and finish at approximately 5:30 p.m. From 12:50 p.m. the students will have a supervised lunch outside and will be participating in a Camp Quality Puppet Show with our specialist teachers who do not teach grades.

NB - It is too early to report on academic achievements at this stage of the year. Please select a preferred time slot below and return the Parent/Teacher Information Sharing Form to school by Tuesday 3rd March so we can try to accommodate your availability as best as possible. If you have already discussed such issues with your child’s teacher you may not need a chat at this stage of the year.

Kevin Warne, Principal

The Camp Quality Puppet program, a live show that has transformed thousands of schools by helping children and teachers learn how to create a supportive school community for children affected by cancer, whether they are living with cancer themselves or have a family member living with cancer.

The jam-packed show is filled with laughter, honesty and optimism. The performance is free of charge for our students. Each year the puppets see an audience of over 200,000. Since its inception, this fun, educational program has helped over 4 million pre- and primary school children and teachers learn about the challenges of living with cancer and the importance of friendship.

Show date: 11th March
Show time: 2:30 (whole School)
Where: PC Centre
All families are welcome!

---

We hope that families were able to read last week’s newsletter in relation to Homework and Homereading.

So, we prefer students and families to put their time and effort into the following areas…..

We do ask (Foundation-Year 2) families to spend time listening to their children read and practise counting and number patterns each night.

We also ask (Years 3-6) families to spend time listening to their children read and practise their times tables each night.

---

‘Striving for Excellence’
Open since 1887

---

***Sunday Nights - a great night to check for Head Lice. ***
Shrove Tuesday

Come and have pancakes at school!

The Puckapunyal Chaplains are cooking pancakes for breakfast at school on Shrove Tuesday.

Where: Puckapunyal Primary School outside the PC Centre

When: Tuesday 17th February from 9am

Each classroom will visit the PC Centre and have the opportunity to have a pancake if they wish. Families are welcome to come too.

If anyone would also like to help the chaplains cook and prepare the pancakes, they can from 7am.

School Council News

School Council Elections 2015

Please consider standing for election for School Council this year. Contact Kevin for further information.

The Puckapunyal School Council has vacancies for 5 Parent Representatives for 2015.

Wednesday 11th February: NOMINATIONS called for (Forms can be collected from the office).

Wednesday 18th February: Nominations CLOSE (If an election required ballot papers will be distributed).

Wednesday 25th February: OPEN BALLOT

Wednesday 4th March: CLOSED BALLOT (Votes counted).

School Council Annual General Meeting will be held at school at 5:00 p.m. on Tuesday 10th March.

Deployment sessions and Fundraising:

I trust that the start to school has been a relatively smooth one for all our students. Once the swimming program concludes (Friday 13th February) I will be resuming deployment sessions. This is a session for any student who has a parent deployed overseas, and provides support in many forms. Please let me know if your child is in this position. Also I would love to hear from anyone who may be interested in helping with some fundraising for the school. This can take the form of a ‘one-off’ activity or support throughout the year. Again let me know if this could be you…and we’ll get organised after the swimming program.

Positive Behaviour Program:

At Puckapunyal Primary School we like to recognise positive behaviour, and we link it in with the four ‘houses’. Every student is allocated to a house (Chisholm-blue, Bradman –yellow, Hume-green and Melba-red). Year six house captains were announced this week and feature in this week’s newsletter. When positive behaviour is observed staff give the student a ticket which is put in one of the house boxes in the foyer. Weekly, at assembly, cumulative tallies are announced and there are also regular lucky dip prizes. At the end of each term all members of the winning house (unless they have received a ‘blue’ slip for negative behaviour) participate in a reward activity. This activity is also open to students from the other three houses who have received the highest number of tickets for the term.

Have a terrific week.

Sue Ranger, DSTA.

POSITIVE BEHAVIOUR REWARD UPDATE

Hume house has made a great start to the school year, with the other three houses not far behind. Keep up the good work!!

CURRENT SCORES

Hume- 81 points
Bradman- 72 points
Melba- 71 points
Chisholm- 63 points

Happy Birthday

Happy Birthday to Angela Klein who is having her birthday today.

On behalf of the Puckapunyal Primary School Community, we wish Angela a very Happy Birthday!

Helpers Needed

The School Canteen is currently only open for healthy recess snacks that are sold by our students. Canteen lunches will be available on Fridays when a working group of volunteers can be organised. If you are a parent with some time and you can help in the school canteen please contact the school office. We would love to hear from you.

Labour Day

Please do not forget that Monday 9th March is Labour Day (public holiday) and therefore the school will be closed. No children are expected at school that day. We hope that all of our families enjoy the long weekend.

Positive Behaviour Program:

At Puckapunyal Primary School we like to recognise positive behaviour, and we link it in with the four ‘houses’. Every student is allocated to a house (Chisholm-blue, Bradman –yellow, Hume-green and Melba-red). Year six house captains were announced this week and feature in this week’s newsletter. When positive behaviour is observed staff give the student a ticket which is put in one of the house boxes in the foyer. Weekly, at assembly, cumulative tallies are announced and there are also regular lucky dip prizes. At the end of each term all members of the winning house (unless they have received a ‘blue’ slip for negative behaviour) participate in a reward activity. This activity is also open to students from the other three houses who have received the highest number of tickets for the term.

Have a terrific week.

Sue Ranger, DSTA.
Congratulations to the following students who were ‘Students of the Week’ for last week. Winners – Charlotte Davies, Amber Hopkins, Finlay Koch, Chloe Hogan, Luke Golder, Nannah Taylor, William Burn and Somaiya Harriden. These students were selected because they were modelling one of the school values.

Congratulations to the following students who were ‘Authors of the Week’ for last week. Winners – Wade Hansen, Layla Chivers, Sophia Brooks, Tessa Thompson, Nathan Hopkins, Carter Grant, Kade Altas and Emily Adams. These students were selected because they showed great skills as an author.

1/2 I in Room 9 won the Yard Duty Competition Trophy. Joel Simmonds and Chloe Hogan were very excited to show off the winning trophy this week!

Congratulations to Olivia Scotman who received a ‘Recycling Cans’ Award this week! Well done, Olivia! Every little bit counts!

Congratulations to Blake Neilson who received a ‘Making a Difference’ Award this week! Well done, Blake!

School Swimming Caps for sale in the school office for $3.

Icy cups will be for sale at the PC Centre Kitchen after school, (3:30 p.m.) on Wednesday and Friday afternoons. The cost of icy cups is 50 cents and they are made from a variety of flavours of cordial.
Lincoln Bazel and Taylah Studte are our School Captains for 2015.

Their role is to represent the school on behalf of their fellow students. They will be very busy organising letters, making speeches and conducting a variety of activities in the school. Congratulations, School Leaders. We wish them well.

Hume House
Captains:
Mackai Harriden and Skye Saunders

Chisholm House
Captains:
Jack Chetcuti and Casey Grant

Bradman House
Captains:
Aiden Mackay and Tennyson Connie

Melba House
Captains:
Matthew Sharrad and Holly Hastie

Their role is to represent their house by taking charge of a number of sporting activities. They will be busy organising teams for sporting days and making speeches on behalf of their peers. Congratulations, House Leaders. We wish them well.
We ask all families to please watch out for snakes this time of the year. There have been many sightings in the area.

We love birthdays! We think it is terrific when families send cupcakes or large cakes to school for their children to share with the classroom. However, we have several students at school who have allergies that can cause anaphylactic reactions. We need to keep all of them safe at all times at school. Therefore, we ask that if you would like to send any food items to share, we need you to provide an ingredient list. We also ask that you contact your child’s teacher at least the day before so we can prepare.

We also ask families to be aware that dogs are not allowed in the school grounds during school time (unless for a special pre-planned classroom showing). While we love dogs, not all of our students do. Several students have real fears of dogs, especially our junior students. If you would like to walk your dog to school as you come to pick up your children, please keep clear of the gateways and back from the school grounds.

***Have you heard your child read today? We encourage all students to practise their reading at home about 5 nights per week. Therefore, by now, most students should have read at least between 5-10 nights. Well done if you have kept up!
All students have been put into House Teams. Years 3-6 students can represent their teams during sporting events in 2015. The teams are green, blue, yellow and red. 11 years ago, we decided that these teams should also have names that can be the start of a long tradition. These names were taken from significant Australians who have made significant contributions to what our country represents.

The names are: Hume, Melba, Bradman and Chisholm. Throughout the school there will be displays of our House names and background information of our chosen names.

**HUME – GREEN (1797-1872)**
Hamilton Hume was born in Parramatta, N.S.W. on 18th June 1797. He was the first Australian born explorer who began exploring at the age of 17. He began exploring in the Berrima district (between Sydney and Canberra). He explored the Wingecaribee River, Lake Bathurst, Goulburn Plains, Yass, the Murrumbidgee River and Jervis Bay. He led an expedition from Lake George to Bass Strait.

**CHISHOLM — BLUE (1808-1877)**
Caroline Chisholm was born in England. She arrived in Australia in 1838 and set up a home for other women who had come to live here. She worked to improve life on the ships bringing people to Australia to start a new life and began a loans plan to bring poor children and families to Australia. She arranged free trips so that the families of convicts who were transported to Australia could come to join them. She also helped poor people buy farms. She was known as the ‘emigrant’s friend’.

**BRADMAN — YELLOW (1908-2001)**
Don Bradman was born on 27th August 1908 and grew to become one of Australia’s most esteemed cricketers. He played his early cricket in the N.S.W. town of Bowral. He played Grade cricket for St George in Sydney and Kensington in Adelaide. He represented N.S.W. between 1927 – 1934 and South Australia between 1935- 1948. Knighted for his services to cricket in 1949, he remains the only Australian cricketer to receive a knighthood for the game. He retired from Test cricket with a batting average of 99.94. He is revered in all sporting circles! His Foundation supports youth cricket across Australia.

**MELBA — RED (1861-1931)**
Dame Nellie Melba was an Australian opera soprano who was the first Australian to achieve international recognition in this genre. She was born in Richmond, Melbourne into a musical family. In 1886 she travelled to Europe to begin a musical career. She was tutored in Paris and then began her career in Australia and England. She set up a music school in Richmond in 1918. She performed her last concerts in Australia in 1928.

Our School Captains, House Captains and Student Representative Councillors have been chosen for 2015. See them on pages 5 and 6.

---

**Safety Messages**

We ask all adults to help model great traffic sense for our students. We encourage all students to use the 2 provided school crossings when crossing Alamein Road. Most students are terrific at doing that. But not all! All classes will be discussing and practising the use of the school crossing this week. We ask all families to also talk about how to safely use the School Crossing as well. We also ask parents to use the School Crossing to help model great traffic sense. We cannot expect our students to use the crossing, if they see that adults do not.

We have also had too many reports of students riding their bikes and scooters unsafely. We ask families to discuss safe riding with their children. We also ask families to ensure that their children can ride safely before they ride to school. For students under 10, they are allowed to ride on the footpath. That means sharing the footpath with pedestrians, prams, toddlers, adults, etc. That can be hazardous if anyone is careless. Students under 8 have not yet developed peripheral vision and should be supervised if on the road. Let’s all be careful!!
2015 PUCKAPUNYAL PS
EMERGENCY BUSHFIRE PLAN

- This is the time of the year that we need to remind all families to have a Bushfire Plan in place which includes actions on school and non-school days.

**FIRE MANAGEMENT at PUCKAPUNYAL PS**

- In the event of a fire which threatens Puckapunyal Base on a normal school day, the Emergency Plan for Puckapunyal Primary School will be activated.
- All staff and students of the Puckapunyal Primary School and Multi-Function Centre will be evacuated to the Pitman-Coffey Centre (PC Centre).
- A Liaison Officer from the Department of Defence will be deployed to Puckapunyal PS to assist.
- On-going liaison will occur between Department of Education, Base Management, and the CFA and this will determine the next phase of action. If necessary, all remaining staff and students will be evacuated to The Area Theatre.
- Via facebook, text messages and the school sign, families will be notified by the school of an Evacuation to the PC Centre or the Area Theatre.

**CODE RED DAY**

- A Code Red Day will be communicated to all communities via the media prior to a Code Red Day occurring. Via school notes, facebook, assemblies, text messages and the school sign, families will be notified by the school of a Code Red Day.
- Only the Seymour Town Bus will operate as per normal. Rural buses will be cancelled.
- Puckapunyal Primary School remains open on a Code Red Day.
- Families will be encouraged to keep children at home on a Code Red Day as part of their individual family Bushfire Plans.

**FIRE MANAGEMENT ON A CODE RED DAY**

- In the event of a fire which threatens Puckapunyal Base on a Code Red Day, the Emergency Plan for Puckapunyal Primary School will be activated.
- All staff and students of the Puckapunyal Primary School and Multi-Function Centre will be evacuated to the PC Centre.
- A Liaison Officer from the Department of Defence will be deployed to Puckapunyal PS to assist.
- On-going liaison will occur between Department of Education, Base Management, and the CFA and this will determine the next phase of action. If necessary, all remaining staff and students will be evacuated to The Area Theatre.
- Via facebook, text messages and the school sign, families will be notified by the school of an Evacuation to the PC Centre or the Area Theatre.
The after school music program is once again being offered at the Puckapunyal Primary School (in the PC Centre) on Tuesday and Friday afternoons to interested students. On offer this term is Piano, Guitar, Vocal and Drum Lessons. Should you wish to enrol or have an enquiry, please fill out the form below and return to the school office. Alternatively, visit us in the PC centre after school for a chat!
Looking forward to seeing lots of fresh new faces!
Miss Emily 0425804219

Choir Performance

DCO is holding a Family Day/Expo on Thursday the 19th Feb at the Area Theatre in Puckapunyal and have requested that the choir sing at this event. If your child has expressed an interest in singing with the choir at this event please read the following - The event runs from 4:30-7pm, with the choir expected to meet Ms O’Connor at 5pm (to sing at 5:15pm) in FULL SCHOOL UNIFORM.

Could you please return the slip below to school tomorrow so that I can get an idea of numbers for this event. Thank you for your support,

Sally O’Connor
Choir Teacher

Choir Performance

My child/children __________________________________ will be singing with the choir at the DCO Family Day Expo on the 19th Feb, 2015.

Signed________________________________________

Tennis Coaching with Master Coach Norman Cahill begins this Thursday (12th Feb) for students at the Puckapunyal Tennis courts:

Times: 5-7 yrs 3:45-4:30pm
7-9 yrs 4:30-5:15pm
9-12 yrs 5:15-6:00pm
12 years + 6:00-6:45pm

Enrolments are welcome after school at the tennis courts on Thursday.

Information notices are available in front of the school office.
Good luck tennis enthusiasts.

‘Striving for Excellence’
Open since 1887
Presenters: Jane Challis, Kevin Warne,

All sessions will be held in the Staffroom

Session 1
Monday 23rd February
9.30-12.00pm

Literacy
• Welcome/Introduction to program
• Confidentiality
• Working with Children Check
• Being a Helper
• Reading
• Writing
• Speaking and Listening

Classroom Visits/ Sharing Observations

Session 2
Tuesday 24th February
9.00-12.00pm

Numeracy
• Introduction
• Goodger Maths Program
• Linking maths to real life
• Numeracy at home
• Developmental continuum

Classroom visits/Sharing Observations

Classroom Visits:
Tour school
Goodger Maths in a classroom
Visit other classrooms and observe and interact with students.

Sharing Observations:
What did you see happening in the classroom? What ways do you think you could help in the school? Discuss
Each week in the newsletter, we will give families a summary of the Teaching/Learning Focus for the week. That can help families by: being aware of what classrooms are covering; with discussion topics at the dinner table when discussing school (eg. ‘How are you going with addition in Numeracy this week?’); helping their children study at home, etc. Parents have indicated that this information would be very useful. We also ask families to be aware that schools are very busy places and events can be unpredictable at times. We therefore must remain flexible. That means, we can plan to cover certain topics at particular times and have to change them according to arising needs.

**Junior School – Preps/Foundation Rooms 3 & 6**

**Literacy:** We are starting to develop early writing skills with a focus on pencil grip. We will be focusing on the letter ‘Ff’ and the sound it makes.

**Numeracy:** We are looking at the number 2 and making patterns.

**Junior School – Year 1s Rooms 3, 8 & 9**

**Literacy:** We are continuing to look at initial strategies for writing.

**Numeracy:** We are looking at counting to 50, time/calendars and chance.

**Junior School – Year 2s Rooms 8 & 9**

**Literacy:** We are continuing to focus on writing strategies.

**Numeracy:** We are looking at time, days of the week, birthdays, chance and revising place value.

**Middle School Years 3/4 Rooms 10& 11**

**Literacy:** During Literacy sessions, we will continue to work on Values Education. In reading we will be focusing on fluency and expression while covering a variety of reading strategies according to our needs.

**Numeracy:** We will work on place value and the four processes. Tables facts will be practised throughout the week.

**Senior School Years 5/6 Rooms 1A&1B**

**Literacy:** During Literacy sessions, we will continue to work on Values Education. In reading we will be focusing on fluency and expression while covering a variety of reading strategies according to our needs.

**Numeracy:** We will work on place value and the four processes. Tables facts will be practised throughout the week.
**We have had a few students with gastro this week. We do not want gastro spreading throughout the school community so we need everyone to help. Teachers are working hard to show students how to wash their hands properly. We ask families to also reinforce good hygiene with their children at home. We also ask families to keep their kids at home for 24 hours after they have had gastro.**

**What is gastro?**
Gastro, or gastroenteritis (gas-tro-en-ter-eye-tus) to give it the full title, is the name we give to an illness which causes vomiting and diarrhoea. Being really sick with gastro is often caused by a virus but it can be caused by bacteria.

**What is it like?**
Someone who has gastro may have the following symptoms.
- Cramping pains in the tummy.
- Feeling really nauseous (sick).
- Vomiting.
- Diarrhoea

**How do you get it?**
Gastro is contagious.
- You may get it from something that the other person's poo is on – maybe they did not wash their hands well enough after they went to the toilet and they touched something that you touched afterwards. You then carried the germs on your hands to your mouth.
- It may be that a person with gastro coughed or sneezed on you.
- It may be from your food that has been touched by someone who hasn't washed their hands.

**How can you protect yourself and others?**
- Always wash your hands after you go to the toilet even if you feel well. Use running water and soap. Use a clean paper towel to dry them or a hand dryer, or at home use a clean, dry towel.
- Make sure that things that a person with gastro handles are washed, and that you wash your hands if you have had to touch something that might have their germs on.
- Make sure that people who have gastro do not prepare food for you or for others.
- Do not go to school if you have gastro.

**What you can do**
If you are throwing up then you may feel a little better when you have vomited everything that is in your stomach.
- Don't eat anything for a while – you might vomit that food up again too. You probably won't feel like eating anything for a while anyway. Start eating again when you start to feel hungry.
- Have lots of small drinks often or suck ice cubes often.
- Rest, not too far away from the bathroom!
- Wash your hands very carefully after you have vomited or done runny poo – you don't want to give the germs to someone else.
- Stay away from other kids so you can't pass it on to them.
- Make sure that other people in your family wash their hands very well too so they don't catch the germs from you.

When you have stopped throwing up you can have bigger drinks of water or your mum, dad, or whoever cares for you, may give you a special oral rehydration drink. This is something that you can buy from a pharmacy. It will replace some of the good things you lost while you were vomiting or had runny poo!
- You can then have a bit of food, like toast or cracker biscuits and wait to see what happens.
- If that stays down then you can slowly start to eat again.
- Take it easy at first, eat just a little food and stick with plain foods that can easily be digested, eg. pears, noodles or rice.
- Gradually try other foods over the next few days until you feel better.

‘Striving for Excellence’
*Open since 1887*
DONOVAN JOYNT VC Hop In

A safe place for the Children of Puckapunyal to hang out

Friday Night  Music & Fun ~

5pm – 7pm (Primary School)

‘Striving for Excellence’
Open since 1887
The Bulldogs welcome all families to become part of our junior sporting community for 2015. All children are welcome.

The Puckarooks Club is keen to enrol as many kids as possible to play in the 2015 junior netball and football season. Our club fields both netball and football teams in three age groups, under 12’s, under 14’s and under 16’s. All matches are played on Sundays with round one of the season set to commence in early April. Auskick for under 10s is coordinated separately however is to be supported by the Club.

Come and talk to some players and the Committee at the DCO Welcome evening on 19 February from 4.30pm at the Area Theatre.

The first training and registration session will commence at 4.30pm on Tuesday the 24th of February, at the Puckapunyal football ground, (Rat’s Oval) cnr Malaya & Marobe Rds, Puckapunyal. For non-military families, access to Puckapunyal can be arranged. Talk to the contacts below about how it is arranged.

Cost of 2015 season membership/registration/insurance is $80.

For further information please contact:

- Vice President-Football - Jeff Ranger 0409 951 064
- Vice President-Netball - Karen Sullivan 0434 643 019
- Auskick Coordinator - Rob Johnstone 0447 161 426
- President - Craig Burn 0429 269 124
